

## ASL THERAPIST JOB DESCRIPTION

Allies In Caring is enhancing services for Deaf and Hard of Hearing individuals in South Jersey and is looking for clinical psychotherapists to join our team. We are a small non-profit organization founded by a CODA/ SODA that provides transitional support services to individuals and families. We utilize a treatment team approach and provide them with support in the areas of life skills, wellness, and therapeutic healing work.

We are committed to providing exceptional therapeutic services and to this end, our clinicians participate in supervision, case conferences, and on-going trainings.

This is an exciting position that incorporates interesting clinical work and the opportunity to help us develop our program to include prevention and wellness services as well as involvement in the work of the Deaf and Hard of Hearing Coalition of SJ, working with other agencies and leaders of the community to improve access to resources and services for D&HOH living in NJ.

### Responsibilities

- Provide individual, group, and family psychotherapy in different contexts: Videophone, home, school and at the office to a small caseload of children and adults.

### Qualifications

- ASL fluent
- Experience providing clinical mental health services to Deaf and Hard of Hearing children and adults. Strong knowledge of the diverse linguistic, cultural, psychosocial, access and communication needs of Deaf and Hard of Hearing populations.
- LCSW, LPC, LMFT, LAC, LSW
- Master's or Doctoral Degree candidates are welcome to apply too.

### Benefits

- Medical, Vision, 401(k), Dental, Life Insurance
- Paid vacation time, paid sick time, paid holidays
- Flexibility
- Opportunity to grow with our organization
- Support for your passion project

To apply, please send cover letter & resume to [hr@alliesincaring.org](mailto:hr@alliesincaring.org) **Check our website [www.alliesincaring.org](http://www.alliesincaring.org) and indicate why you want to work with Allies In Caring & Con-Vivir.**
